

The 14th Annual FLINT pride in the park...

Hosted by
Wellness
Services

SAVE THE DATE: JUNE 29TH, 2024

Hello!

This is your opportunity to contribute to the **Fourteenth Annual Pride in the Park Festival**. Each year, our event continues to grow and this opportunity can provide your company with valuable exposure to a diverse population of consumers, healthcare providers, and social service agencies.

**GROWTH IN
EVENT ATTENDANCE
FROM 2023**

The Flint Pride Festival provides an opportunity for the LGBTQ+ population to celebrate their freedom to be who they are and to take a positive stance against discrimination and violence toward lesbian, gay, bisexual, and transgender people. The intent of this event is to celebrate diversity in our city, affirm the LGBTQ+ population, and increase visibility to build a sense of community.

Your sponsorship will reach not only the large population of LGBTQ+ individuals in our community but also their friends, families, and allies of the LGBTQ+ community. This is very important due to our current political climate as many of these individuals do not feel safe in our communities and are looking for places that support and welcome them as clients/patrons. Friends, families, and allies also look to support companies that they know are supportive of their friends and loved ones. I hope that you would join us in our fight against discrimination and send the message to our community that you support the basic human and civil rights of all people in our city.

There are a variety of sponsorship levels which are affordable for any budget. Please take a moment to look over the options to decide which option supports your organizational needs. Thank you for your time and consideration, we look forward toward working with you and having you as part of our community!
